Anesthetic and surgical procedure(s) to be performed:

I, the undersigned owner or agent of the pet identified above, authorize the staff of Pine Hills Veterinary Hospital, PC to perform the above procedure(s). I understand that some risks always exist with anesthesia and/ or surgery and that I am encouraged to discuss any concerns I have about those risks with the attending veterinarian before the procedure(s) is/are initiated.

A physical exam will be performed on your pet prior to the surgical procedure if it has been longer than 30 days since the last exam. However, this may not identify all systemic or metabolic problems. For this reason, we recommend a pre-anesthetic blood panel to evaluate major organ functions prior to anesthesia.

- YES, I would like to do pre-anesthetic bloodwork for \$70.**
- NO, I do not want to do pre-anesthetic bloodwork.**

Pain medication may be necessary for the comfort of your pet. The additional cost for pain medication is dependent on the size of the pet:

Check one: **Under 50lbs - \$20** **51-99lbs - \$30** **Over 100lbs - \$45**

- YES, I would like pain medication for my pet.**
- NO, I do not want pain medication for my pet**

YES **NO** **Has your pet had anything to eat or drink since midnight?**

While I accept that all procedures will be performed to the best of the abilities of the staff at this hospital, I understand that no guarantee or warranty has been made regarding the results that may be achieved.

I also assume full responsibility for any additional expenses incurred after the surgical procedure is performed, such as follow up radiographs, re-check physical exams and additional surgery due to post-op complications. These are more likely to occur when there is a failure to comply with the aftercare instructions.

All charges, including boarding costs, shall be paid upon release from the hospital. If the pet is not called for within 10 days after the time specified for return, if the doctor is not notified in writing of an alternate date within the 10 day period, the animal will be considered abandoned and may be disposed of as the doctor deems fit. I understand that this does not relieve me of the responsibility of paying for all costs accrued while Manny is under the care of the staff at Pine Hills Veterinary Hospital, PC.

I have read and fully understand the terms and conditions set forth above.
